

Florida Gulf Coast County RESTORE Coordinator Workshop  
June 27, 2018, 11 am – 1:30 pm ET  
**Red Robin Patio, 8167 International Dr, Orlando, FL**  
Hosted by National Wildlife Federation, Jessica Bibza

DRAFT Agenda

11 am: Arrive, Seated, Order Lunch

11:15 am: Welcome and Introductions, Public Comment

11:20 am: Round Robin

Each county and relevant party provide brief updates: where they are in Pot 1 process (ex: project selection, MYIP drafting, project applications, not started, etc.), and any nexus to SEP projects.

12:30 pm: Topics for Discussion & Presentation

- Treasury Notice of Proposed Rulemaking on s3% Administrative Cost for RESTORE Act
- Oil Spill Science Resources, Monica Wilson, SeaGrant
- Update on Pinellas County's Coastal Resilience Project, Andy Squires
- Hernando County's Strategic Marine Plan, Keith Kolasa
- Update and Next Steps on SSEP: Craig Diamond
- Summary of Dr. Jack Davis's "The Gulf: The Making of An American Sea", Charlie Hunsicker

1:20 pm: Wrap Up and Next Steps, Identify Action Items, Additional Public Comment

Next meeting: TH September 27, 2018, Charlotte Harbor Event & Conference Center

1:30 pm: Adjourn and head to 2pm Consortium meeting (Hyatt Regency, Orlando, 9801 International Drive)

Note: This meeting WILL be publically noticed and held in the Sunshine.

Meeting will be a Working Lunch on private patio at Red Robin on International Drive, 2.5 miles from the Hyatt Regency. Participants are responsible for their own lunch.

Two Topics on Draft Agenda will be moved to September 27 Meeting:

- Strategic Conservation Assessment, Update on Gulf Program and Engaging Counties, Jennifer Roberts (tentative)
- Introduction to emerging opportunity for ZERO interest loans for restoration projects (Land Acquisition and other time-sensitive projects), Henry Tepper (via phone) Texas Parks and Wildlife Foundation
